

SEOUL DECLARATION

on Safety and Health at Work

2nd Strategy Conference on Safety and Health at Work

**Dresden Statement
in support of the Seoul Declaration
on Safety and Health at Work**

3rd February 2011

On the occasion of the Special Session in support of the Seoul Declaration on Safety and Health at Work during the 2nd Strategy Conference : “Five Pillars – Strategies on Safety and Health at Work” at DGUV Academy in Dresden, Germany on 3rd February 2011, hosted by the German Social Accident Insurance (DGUV) in conjunction with the International Labour Organization (ILO), the International Social Security Association (ISSA), the European Agency for Safety and Health at Work (EU-OSHA), the International Commission on Occupational Health (ICOH), the International Occupational Hygiene Association (IOHA) and the International Association of Labour Inspection (IALI),

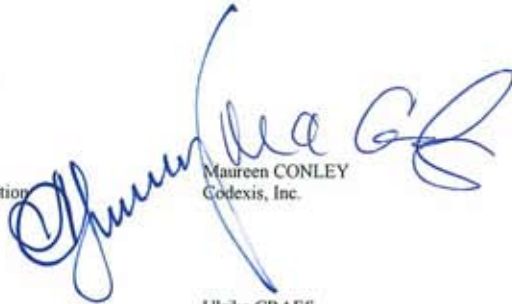

The participants

Recognising the historic importance of the Seoul Declaration on Safety and Health at Work adopted by the Safety and Health Summit on 29 June 2008 on the occasion of the XVIII World Congress on Safety and Health at Work, organised jointly by the International Labour Office (ILO), the International Social Security Association (ISSA), and the Korea Occupational Safety and Health Agency (KOSHA),

Recalling that the continuous improvement of working conditions is of paramount importance and the right to safe and healthy working environment should be recognized as a fundamental human right,

State their full and unconditional support to the background and objectives of the Seoul Declaration. The participants commit in particular to join the signatories in support of the Seoul Declaration in taking the lead in promoting a preventative workplace safety and health culture worldwide.
